**IMPORTANT INFORMATION FOR SENDING IMAGES.**

Images taken by Digital Camera

Please ensure your camera resolution settings are set to 'high'. Refer to your camera's manual for instructions. Low resolution images are not able to be reproduced in the Beef Review magazine.

Download your images from your camera onto a computer and save them as a JPEG file.

Please name your images with your prefix and a number (eg: prefix01.jpg) if you are sending multiple images.

Options for sending digital files:

- 1) Email your files to: [graphics@beefbreeders.co.nz](mailto:graphics@beefbreeders.co.nz) with subject header: Beef Prints Entry.
- 2) Burn your files on CD and post with this entry form to: Beef Prints Entry, C/- NZPBB, PO Box 503, Feilding.
- 3) Print your digital files on quality photo grade paper and post with this entry form to the above address.

Images taken by Standard (SLR) Cameras

Please use colour film.

Ensure your images are in focus.

Have your film developed at a minimum size of 6x4 on quality photo grade paper. Send your photographs with this entry form to:

Beef Prints Entry, C/- NZPBB, PO Box 503, Feilding.

Do not fold, crease, staple or paper clip images.

Do not write on the back of images with pen – use a soft leaded pencil.

Protect images with stiff cardboard on both sides to protect them in the post.

Do not send any negatives with the images.

More entry forms are available at [www.beefbreeders.co.nz](http://www.beefbreeders.co.nz) or contact Graphics department at the NZPBB office. Please send this form with your photographic entries by 23rd February 2007.
