

How To Complete Your ADLs in Helical - NZH

Learn how to efficiently record animal disposals and fate off your bulls through the Hereford NZ online dashboard. This guide walks you through the selection, data entry, and final submission process to keep your herd records accurate.

1 Log into your Helical account

The screenshot displays the Helical dashboard for Orari Gorge Station Ltd (0400). The left sidebar contains navigation links: Dashboard, Lists, Draft Data, Genetic Trends, Filters, and Breeding Planner. The main content area features a top navigation bar with tabs: Overview (selected), Genomics, Parent Verification, Registrations, Genetic Conditions, EBVs, and Performance. Below the tabs is a 'Quick Actions' section with a 'Click to collapse' button. It contains six action cards, each with an icon, a title, a subtitle, and a right-pointing arrow. The cards are: 1. 'Show me 2221 animals missing genotypes' (48% of active animals) with a DNA helix icon. 2. 'Show me 1 unregistered animals with both parents verified' (Unregistered but fully parent verified) with a red exclamation mark icon. 3. 'Show me 2284 animals without any parent verification' (51% of active animals) with a magnifying glass icon. 4. 'Show me 2 unregistered animals with genotypes' (Unregistered but have genotypes) with a document icon. 5. 'Show me 13 unregistered animals with performance data' (Unregistered but have performance data) with a bar chart icon. 6. 'Show me 13 animals with pending registrations' (Registrations awaiting approval) with a clock icon. Below the quick actions is an 'Action Needed' section titled '1 Draft Data Imports Awaiting Submission', stating 'You have 1 draft import that need to be completed and submitted.' This section contains a table with one row of data.

Click Submit in the confirmation dialog. This will submit your ADL to the registry team for processing.

The screenshot shows a web application interface for submitting an ADL. At the top, a text input field contains "0400_20260908_ADLs". Below it, "Stud 0400" is displayed. A progress bar at the top shows three steps: "Choose Import Template" (checked), "Enter Data" (checked), and "Summary" (active, indicated by a blue circle and the number 3). Below the progress bar, the text "Please review the changes carefully before submitting" is shown. On the left, a sidebar has a section titled "Animals" with a sub-label "updating 3". Below this, there are two buttons: "Submit" (highlighted in blue) and "Save and Exit". A modal dialog titled "Submit Import?" is open in the center. It contains the text "Once submitted, the import may not be edited" and "Additional notes on submission" followed by a text input field with the placeholder "Enter message...". A blue "Submit" button is located at the bottom right of the dialog, circled in orange. A close button (X) is in the top right corner of the dialog.
